**BACKGROUND
CONTINTUED**

Resolution No. 15,625 (February 15, 2022) authorized a contract with the Boys & Girls Clubs of Central Arkansas, in the amount of \$88,642.00, to provide Contractual Services and Activities designed to reduce violence. Resolution No. 15,886 (February 7, 2023) was approved authorizing a six (6)-month extension of the contract, which enabled the organization to completely expend the remainder of ARPA Funds awarded. As of September 2023, the organization has successfully completed all contract requirements and expended the total amount allocated.

As the City of Little Rock remains committed to providing services and activities designed to reduce violence and increase public safety for City residents, the Commission on Children, Youth and Families voted at their July 12, 2023, meeting to endorse the extension of this contract for an additional year using Prevention, Intervention and Treatment Funds.
