**BACKGROUND
CONTINUED**

The property currently undeveloped and mostly wooded. The property contains varying degrees of slope, primarily sloping downward from north to south. Grassy Flat Creek is located adjacent to this property to the east.

The site is located at the north end of Brookside Drive adjacent to an existing O-3 zoned site with a Health and Rehabilitation Center to the west. The property is bordered on the southwest by a POD, Planned Office Development, and an R-5, Urban Residence District, zoned apartment development. Mostly single-family residential developments border the east and north sides and of the site.

The City's Future Land Use Plan designates the property as Residential High Density (RH). The proposed R-2 zoning will not require an amendment to the City's Land Use Plan.
