The property is occupied by a 800 square-foot, one (1)-story house with two (2) bedrooms and two (2) baths. The Land Use Plan shows Residential Low Density (RL) for the requested area. The property is located within the Interstate 630 Planning District, the Capitol View Stiff Station Neighborhood Association and the Capitol View Historic District. On June 20, 2023, the Board of Directors passed Ordinance No. 22,274, which regulates Short-Term Rentals within the City of Little Rock. The new ordinance establishes “development standards” for Short-Term Rentals. If approved, the applicant must comply with the newly established development standards as follows, in addition to all other requirements of the new ordinance.

Currently the City of Little Rock Department of Planning and Development has eighty-nine (89) Short-Term Rentals (STR-1 and STR-2) listed within the database for approved Short-Term Rentals in the City of Little Rock. The City’s new Short-Term Rental Ordinance allows a maximum of 500 Short-Term Rentals within the corporate boundary of the City of Little Rock. Staff reports that there have been two (2) approved STR Applications and one (1) denied STR application within ¼-mile of the application site.

The Planning Commission reviewed this request at their April 11, 2024, meeting, and there were no objectors present. All owners of property located within 300 feet of the site, as well as all Neighborhood Associations registered within the City of Little Rock, were notified.
