24 **Section 7.** The City has heretofore fixed sewer rates by Ordinance No. 21,080, adopted on August 4,
25 2015. Reference is hereby made to such ordinance for the details thereof and other provisions pertaining
26 thereto, which sewer rates are hereby confirmed and continued as provided therein.

27 The City covenants and agrees that the rates established will produce gross Revenues at least sufficient
28 to pay monthly operation, maintenance and funded depreciation expenses of the System, pay the principal
29 of and interest on all outstanding bonds and notes to which Revenues are pledged (collectively, "System
30 Bonds"), as the same become due, pay the financing, servicing and administrative fees in connection
31 therewith as the same become due, and create and maintain any required debt service reserves ("Required
32 Payments"). The City covenants always to maintain rates (including increases as necessary) which will
33 provide for the Required Payments. The rates in effect for sewer service at this time shall not be reduced
34 without the prior written consent of ANRC and the Bondholder.

1 None of the facilities or services afforded by the System shall be furnished without a charge being made
2 therefor. In the event that the City or any department, agency or instrumentality thereof shall avail itself of
3 the facilities and services afforded by the System, the reasonable value of the service or facilities so afforded
4 shall be charged against the City or such department, agency or instrumentality and shall be paid for as the
5 charges accrue. The revenues so received shall be deemed to be revenues derived from the operation of the
6 System and shall be used and accounted for in the same manner as the other revenues derived from the
7 operation of the System.

8 **Section 8.** All of the provisions of the 2007B Ordinance, the 2008 Ordinance, the 2009A Ordinance,
9 the 2009B Ordinance, the 2011 Ordinance, the 2012 Ordinance, the 2013 Ordinance, the 2014 Ordinance
10 and the 2015 Ordinance (the “Prior Bond Ordinances”) (including those incorporated therein by reference),
11 as now in effect, and except those provisions clearly inapplicable hereto, including, without limitation, the
12 provisions pertaining to the collection, the investment and the handling of Revenues and funds, and to the
13 operation, maintenance and care of the System, are hereby made applicable hereto and are incorporated
14 herein by reference as though fully set forth at this point. The effect of the above covenant shall be to
15 continue the applicable provisions in full force and effect even after the payment of the Prior Bonds and
16 until the bond is paid, or provision made therefor.

17 **Section 9.** The City covenants that it will continuously operate the System as a revenue-producing
18 undertaking and will not sell or lease the same, or any substantial portion thereof, without the prior written
19 approval of the Bondholder and ANRC; provided, however, that nothing herein shall be construed to
20 prohibit the City from making such dispositions of properties of the System and such replacements and
21 substitutions for properties of the System as shall be necessary or incidental to the efficient operation of the
22 System as a revenue-producing undertaking.

23 **Section 10. (a)** After making the required payments into the special fund heretofore created and
24 designated “Sewer Operation and Maintenance Fund” and into the bond funds for the Prior Bonds and any
25 additional bonds having a priority on the pledge of Revenues over the pledge in favor of the bond and after
26 paying the financing, servicing and administrative fees in connection with the Prior Bonds, there shall be
27 paid from the special fund heretofore created and designated “Sewer Fund” into an account of the City in a
28 special fund to be created by the Bondholder (the “2016 ADFA Bond Fund”) for the purpose of paying the
29 principal of and interest on the bond the amounts specified in (b) below.

30 **(b)** There shall be deposited from proceeds of the bond or, at the direction of the
31 Commission, from moneys in the Sewer Fund, into the 2016 ADFA Bond Fund on October 15, 2016, and
32 on each April 15th and October 15th thereafter until April 15, 2020, the interest due on the bond on such
33 dates. Commencing on the first business day of each month thereafter, there shall be deposited from

1 moneys in the Sewer Fund into the 2016 ADFA Bond Fund an amount equal to 1/6 of the amount of interest
2 on and principal of the bond next due.

3 (c) If Revenues are insufficient to make the required payment on or before the first
4 business day of the following month into the 2016 ADFA Bond Fund, then the amount of any such
5 deficiency in the payment made shall be added to the amount otherwise required to be paid into the 2016
6 ADFA Bond Fund on the first business day of the next month.

7 (d) When the moneys held in the 2016 ADFA Bond Fund which represent payments
8 by the City and interest earnings thereon or proceeds of investments therefrom (collectively, "City Funds")
9 shall be and remain sufficient to pay in full the principal of and interest on the Bond, the City shall not be
10 obligated to make any further payments into the 2016 ADFA Bond Fund.

11 (e) All moneys in the 2016 ADFA Bond Fund representing City Funds shall be used
12 solely for the purpose of paying the principal of and interest on the Bond and the City shall automatically
13 receive a credit for the amount of such City Funds on hand in the 2016 ADFA Bond Fund and available for
14 the payment of any principal and interest currently due on an interest or principal payment date irrespective
15 of whether the Bondholder has applied or caused to be applied such funds on that date for such purpose.
16 The City shall receive a credit for all earnings and income derived from the investment of the City Funds
17 each April 15th and October 15th and such earnings and income shall be credited against the next six (6)
18 monthly payments.

19 (f) The bond shall be specifically secured by a pledge of all Revenues required to be
20 placed into the 2016 ADFA Bond Fund. This pledge in favor of the Bond is hereby irrevocably made
21 according to the terms of this ordinance, and the City and its officers and employees shall execute, perform
22 and carry out the terms thereof in strict conformity with the provisions of this ordinance.

23 **Section 11.** After making the payments into the 2016 ADFA Bond Fund required by Section 10 hereof,
24 there shall be paid from the Sewer Fund the Servicing Fee to the Authority. The Servicing Fee shall be
25 payable on each date interest on the bond is due and shall be calculated on the same basis as interest on the
26 Bond. The payment of the Servicing Fee is expressly made subordinate to the payment of the principal of
27 and interest on the Bond.

28 **Section 12.** After making the required payments in accordance with Sections 10 and 11 hereof, there
29 shall be paid from the Sewer Fund into a special fund heretofore created and designated the "Sewer
30 Depreciation Fund" on or before the 15th day of each month while the bond is outstanding, 3% of the
31 Revenues which remain after the required payment into the Sewer Operation and Maintenance Fund has
32 been made. Once the Sewer Depreciation Fund reaches an amount equal to Six Million, One Hundred
33 Thousand Dollars (\$6,100,000) (the "Required Level"), the City shall not be required to make further
34 deposits into the Sewer Depreciation Fund; provided, however, that monthly deposits must resume, if the

1 Sewer Depreciation Fund drops below the Required Level, until such time as the Required Level is again
2 reached. The moneys in the Sewer Depreciation Fund shall be used solely for the purpose of paying the
3 cost of replacements made necessary by the depreciation of the System. If in any fiscal year a surplus shall
4 be accumulated in the Sewer Depreciation Fund over and above the Required Level and over and above the
5 amount necessary to defray the cost of the probable replacements during the then current fiscal year and
6 the next ensuing fiscal year, such surplus may be transferred and paid into the Sewer Fund.

7 **Section 13.** The City shall assure that (1) not in excess of 10% of the proceeds of the bond is used for
8 Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest
9 due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement,
10 directly or indirectly secured by any interest in property used or to be used for a Private Business Use or in
11 payments in respect of property used or to be used for a Private Business Use or is to be derived from
12 payments, whether or not to the City, in respect of property or borrowed moneys used or to be used for a
13 Private Business Use; and (2) that, in the event that both (A) in excess of 5% of the proceeds of the bond
14 are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest
15 due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement,
16 directly or indirectly, secured by any interest in property used or to be used for said Private Business Use
17 or in payments in respect of property used or to be used for said Private Business Use or is to be derived
18 from payments, whether or not to the City, in respect of property or borrowed money used or to be used for
19 said Private Business Use, then said excess over said 5% of proceeds of the bond used for a Private Business
20 Use shall be used for a Private Business Use related to the governmental use of the Improvements.

21 The City shall assure that not in excess of 5% of the proceeds of the bond are used, directly or indirectly,
22 to make or finance a loan to persons other than state or local governmental units.

23 As used in this Section, "Private Business Use" means use directly or indirectly in a trade or business
24 carried on by a natural person or in any activity carried on by a person other than a natural person, excluding,
25 however, use by a state or local governmental unit and use as a member of the general public.

26 **Section 14.** The principal and interest installments shall be pre-payable prior to maturity as provided
27 in the bond form in Section 6 hereof.

28 **Section 15.** As long as the bond is outstanding, the City shall not issue or attempt to issue any bonds
29 having or claimed to be entitled to a priority of lien on Revenues over the lien securing the bond, including
30 any and all future extensions, betterments and improvements to the System except as provided in this
31 Section.

32 The City may issue additional revenue bonds having a priority on or on a parity with the lien on
33 Revenues in favor of the bond to finance or pay the cost of constructing betterments and improvements to
34 the System or to refund outstanding System Bonds, if there shall have been procured and filed with the City

1 Clerk and the Bondholder a statement by a certified public accountant not in the regular employ of the City
2 (the "Accountant") reciting the opinion that (i) in the case of parity bonds either (A) the Net Revenues (Net
3 Revenues being gross Revenues less operation and maintenance expenses, but not including depreciation)
4 for the fiscal year preceding the year in which such additional bonds are to be issued were not less than
5 110% of Total Annual Debt Service Requirements (Total Annual Debt Service Requirements being the
6 average annual debt service requirements (including principal, interest and financing, servicing and
7 administrative fees) on all outstanding System Bonds and the bonds then proposed to be issued) or (B) the
8 Net Revenues for the fiscal year succeeding the year in which such additional bonds are to be issued are
9 projected to be sufficient in amount, taking in consideration any enacted increase in Revenues, to be not
10 less than 110% of the Total Annual Debt Service Requirements, or (ii) in the case of the senior lien bonds,
11 either (A) the Net Revenues for the fiscal year preceding the year in which such additional bonds are to be
12 issued were not less than 120% of the Total Annual Debt Service Requirements or (B) the Net Revenues
13 for the fiscal year succeeding the year in which such additional bonds are to be issued are projected to be
14 sufficient in amount, taking into consideration any enacted increase in Revenues, to be not less than 120%
15 of the Total Annual Debt Service Requirements.

16 The additional bonds, the issuance of which is restricted and conditioned by this Section, shall not be
17 deemed to mean bonds the security and source of payment of which are subordinate and subject to the
18 priority of the bond and such additional bonds may be issued without complying with the terms and
19 conditions of this Section.

20 **Section 16.** It is covenanted and agreed by the City with the Bondholder, the Authority and ANRC
21 that it will faithfully and punctually perform all duties with reference to the System required by the
22 Constitution and laws of the State and by this Ordinance, including, without limitation, the making and
23 collecting of reasonable and sufficient rates lawfully established for services rendered by the System,
24 segregating Revenues and applying them to the respective funds maintained pursuant to the Prior Bond
25 Ordinances and this ordinance.

26 The City covenants and agrees that the Bondholder shall have the protection of all the provisions of the
27 Authorizing Legislation, and that the City will diligently proceed to enforce those provisions to the end of
28 the Bondholder realizing fully upon its security. And, if the City shall fail to proceed within 30 days after
29 written request shall have been filed by the Bondholder, the Bondholder may proceed to enforce all such
30 provisions.

31 If there be any default in the payment of the principal of or interest on the bond, or if the City defaults
32 in any 2016 ADFA Bond Fund requirement or in the performance of any of the other covenants contained
33 in this ordinance, the Bondholder may, by proper suit, compel the performance of the duties of the officials
34 of the City under the laws of the State. In the case of a default in the payment of the principal of and interest

1 on the Bond, the Bondholder may apply in a proper action to a court of competent jurisdiction for the
2 appointment of a receiver to administer the System on behalf of the City and the Bondholder with power to
3 charge and collect (or by mandatory injunction or otherwise to cause to be charged and collected) rates
4 sufficient to provide for the payment of the expenses of operation, repair and maintenance and to pay the
5 bond and interest outstanding and to apply Revenues in conformity with this ordinance. When all defaults
6 in principal and interest payments have been cured, the custody and operation of the System shall revert to
7 the City. No remedy herein conferred upon or reserved to the Bondholder is intended to be exclusive of
8 any other remedy or remedies herein provided or provided by law, and every such remedy shall be
9 cumulative and shall be in addition to every other remedy given hereunder or given by law. No delay or
10 omission of the Bondholder to exercise any right or power accrued upon any default shall impair any such
11 right or power or shall be construed to be a waiver of any default or an acquiescence therein; and every
12 power and remedy given by this ordinance to the Bondholder may be exercised from time to time and as
13 often as may be deemed expedient.

14 No waiver of any default shall extend to or affect any other existing or any subsequent default or
15 defaults or impair any rights or remedies consequent thereon. Any costs of enforcement of the bond or of
16 any provision of this ordinance, including reasonable attorney's fees, shall be paid by the City. The
17 Authority may enforce all rights and exercise all remedies available to the Bondholder in the event the
18 Servicing Fee is not paid when due.

19 **Section 17.** When the bond has been executed and sealed as herein provided, it shall be delivered to
20 the Bondholder upon payment of all or a portion of the purchase price in accordance with the Agreement.
21 Sale proceeds in the amount necessary to make all or a portion of the semiannual interest and Servicing Fee
22 payments due on each April 15th and October 15th to and including April 15, 2020, shall be applied, unless
23 otherwise directed by the Commission, to the payment of Servicing Fees and interest on the bond on such
24 dates. The balance of the sale proceeds shall be deposited, as and when received, in an account of the City
25 heretofore created and designated the "Little Rock Wastewater Utility Construction Fund" (the
26 "Construction Fund"). The proceeds of the bond in the Construction Fund shall be used for directly paying,
27 or reimbursing the City for, the costs paid in accomplishing the Improvements, expenses incidental thereto
28 and the expenses of issuing the bond approved in accordance with the Agreement. Payments from the
29 Construction Fund shall be by check or voucher signed by either the CEO or such other person or persons
30 designated by the Commission, and drawn on the depository. Each such check or voucher shall briefly
31 specify the purpose of the expenditure.

32 **Section 18.** The terms of this ordinance shall constitute a contract among the City, the Bondholder and
33 ANRC and no variation or change in the undertaking herein set forth shall be made while the bond is
34 outstanding unless consented to in writing by the Bondholder and ANRC.

1 **Section 19.** The Commission will keep proper records, books and accounts relating to the operation of
2 the System, which shall be kept separate from all other records and accounts of the City, in which complete
3 and correct entries shall be made of all transactions relating to the operation of the System in accordance
4 with generally accepted government accounting standards. Such books shall be available for inspection by
5 the Bondholder and ANRC, or the agent or the representative of either, at reasonable times and under
6 reasonable circumstances. The City agrees to have these records audited by an Accountant selected by the
7 Commission at least once each year.

8 In the event the Commission fails or refuses to furnish or cause such reports to be furnished, the
9 Bondholder may have the reports made, and the cost thereof shall be charged against the Sewer Operation
10 and Maintenance Fund.

11 **Section 20.** The City covenants and agrees that it will maintain the System in good condition and
12 operate it in an efficient manner and at reasonable cost. While the bond is outstanding, the City agrees that
13 it will insure, and at all times keep insured, in the amount of the actual value thereof, in a responsible
14 insurance company or companies selected by the Commission and authorized and qualified under the laws
15 of the State to assume the risk thereof, all above-ground structures of the System against loss or damage
16 thereto from fire, lightning, tornado, winds, riot, strike, civil commotion, malicious damage, explosion, and
17 against loss or damage from any other causes customarily insured against in connection with similar
18 facilities and undertakings as the System. In the event of loss, the proceeds of such insurance shall be
19 applied solely toward the reconstruction, replacement or repair of the System, and in such event the City
20 will, with reasonable promptness, cause to be commenced and completed the reconstruction, replacement
21 and repair work. If such proceeds are more than sufficient for such purposes, the balance remaining shall
22 be deposited to the credit of the Sewer Fund, and if such proceeds shall be insufficient for such purposes,
23 the deficiency shall be supplied, first, from moneys in the Sewer Depreciation Fund, second, from moneys
24 in the Sewer Operation and Maintenance Fund, and third, from available moneys in the Sewer Fund.
25 Nothing herein shall be construed as requiring the City to expend any funds for reconstruction, replacement
26 or repair of the System or for operation and maintenance of the System or for premiums on its insurance
27 which are derived from sources other than insurance proceeds or Revenues, but nothing herein shall be
28 construed as preventing the City from doing so.

29 **Section 21.** The City agrees that the Bondholder may pledge the bond as security for the ADFA Bonds,
30 and the ADFA Trustee and/or the municipal bond insurer for the ADFA Bonds may exercise any rights and
31 remedies available to the Bondholder under this ordinance or the Agreement while the bond is pledged
32 and/or the ADFA Bonds are insured. In addition, the City agrees that while the bond is pledged and/or the
33 ADFA Bonds are insured, copies of all financial information shall be furnished to the ADFA Trustee and/or
34 the municipal bond insurer.

1 **Section 22.** In the event the offices of Mayor, City Clerk, CEO, Board of Directors, or Commission
2 shall be abolished, or any two (2) or more of such offices shall be merged or consolidated, or in the event
3 the duties of a particular office shall be transferred to another office or officer, or in the event of a vacancy
4 in any such office by reason of death, resignation, removal from office, or otherwise, or in the event any
5 such officer shall become incapable of performing the duties of his office by reason of sickness, absence
6 from the City, or otherwise, all powers conferred and all obligations and duties imposed upon such office
7 or officer shall be performed by the office or officer succeeding to the principal function thereof, or by the
8 office or officer upon whom such powers, obligations, and duties shall be imposed by law.

9 **Section 23.** It is understood and agreed that the Commission, acting for and on behalf of the City, has
10 custody of and control over the System, operates, maintains and repairs the System and collects and handles
11 Revenues. Therefore, it is understood and agreed that even though there are some express references to the
12 Commission, all references herein to the City shall, when appropriate in view of the authority and
13 responsibility of the Commission, be construed to mean and include the Commission. So long as the
14 Commission operates the System for the City, performance by the Commission of any right or obligation
15 of the City hereunder shall be deemed performance by the City. The Commission presently consists of Pat
16 Miller, Ken Griffey, Marilyn Perryman, Pete Hornibrook, Richard L. Mays, Jr., Maurice Rigsby and Bill
17 Flowers.

18 **Section 24.** The requirements of Ordinance No. 15,249, as they may relate to the authorization and
19 sale of the bond, are hereby waived.

20 **Section 25.** The provisions of this ordinance are hereby declared to be separable, and if any provision
21 shall for any reason be held illegal or invalid, it shall not affect the validity of the remainder of this
22 ordinance.

23 **Section 26.** Reference in this ordinance to “Bondholder” shall include the original Bondholder or any
24 registered assign thereof.

25 **Section 27. Severability.** In the event any title, subtitle, section, subsection, subdivision, paragraph,
26 subparagraph, item, sentence, clause, phrase, or work of this ordinance is declared or adjudged to be invalid
27 or unconstitutional, such declaration or adjudication shall not affect the remaining portions of the ordinance
28 which shall remain in full force and effect as if the portion so declared or adjudged invalid or
29 unconstitutional was not originally a part of this ordinance.

30 **Section 28. Repealer.** All ordinances, resolutions, or parts of the same that are inconsistent with the
31 provisions of this ordinance are hereby repealed to the extent of such inconsistency.
