<p><b>SYNOPSIS</b></p>	<p>The resolution will authorize the Mayor and City Clerk to execute a Historic Preservation Easement on Pavilion #1 and the surrounding area of Boyle Park for the repair of the flagstone surrounding the Pavilion #1 and the walkway to the Pavilion #1 and to make the walkway ADA compliant.</p>	
<p><b>FISCAL IMPACT</b></p>	<p>The Historic Preservation Easement is a requirement before the \$56,667.00 granted by the Arkansas Historic Preservation Program can be provided to the City through reimbursement. The grant provides 2-for-1 funding, with the Arkansas Historic Preservation Program providing the major part of the funding of the flagstone repair project.</p>	
<p><b>RECOMMENDATION</b></p>	<p>Approval of the resolution.</p>	
<p><b>BACKGROUND</b></p>	<p>Earlier this year the City applied for, and was successful in being awarded a Historic Restoration Preservation Grant from the Arkansas Historic Preservation Program.</p>	

**BACKGROUND  
CONTINUED**

A condition of the grant funding is for the City to provide a Conservation Easement, called a Historic Preservation Easement, on the Pavilion #1 and the surrounding area in Boyle Park where the repairs will be performed, to the Arkansas Historic Preservation Program to assist with conserving and preserving the value and significance of the Park. The easement places limits on changes to the appearance and structure of the Pavilion #1 and surrounding area where the flagstone repair will be made.
