

# FRIENDLY DRIVER CERTIFICATION

- Make Little Rock streets safer
- Learn to drive with bikes and pedestrians
- Learn to navigate new bicycle and pedestrian infrastructure

## Friendly Driver Course

Estimated Class: 120 minutes

City of Little Rock Friendly Driver Certification is earned upon demonstration of knowledge of technical course objectives.

### Technical Course Objectives (TCO)

- TCO 1.** Understand Arkansas and Little Rock laws for cyclists, pedestrians, and drivers.
- TCO 2.** Know common practices for trained and untrained cyclists and pedestrians.
- TCO 3.** Identify high risk areas within Little Rock for motor vehicle crashes involving pedestrians and cyclists
- TCO 4.** Know rights and responsibilities for pedestrians, cyclists, and drivers in various situations.
- TCO 5.** Understand how to navigate bicycle and pedestrian infrastructure with and without bikes and pedestrians present.
- TCO 6.** Understand how speed, impairment and awareness impacts sharing the road with cyclists and pedestrians

All drivers are welcome to participate in the Friendly Driver Program. Learn more about the program and find currently available classes at:
